Today, we'll delve into the world of artisanal craftsmanship and explore how handmade furniture can not only elevate our spaces but also preserve traditional techniques making any design reality in your space.

Furniture In Our Space

Furniture plays a crucial role in supporting human activities by providing comfort, functionality, and organisation in various settings such as homes, offices, schools, and public spaces.

About Us

We are a well-established company specializing in furniture and interior architecture, with our showroom located in Kuwait City and our factory situated in Beirut, Lebanon, since 2010. We provide cutting-edge furniture made with the finest quality materials.

Today, ARTISAN has positioned itself as an elite design house with a recognizable reputation across the country, delivering high-end residential hospitality and business projects.

Since we started, our projects varied, from private villas and apartments to clinics and companies offices in Kuwait, Lebanon and GCC area.

We have loyal customers and our reputation is based on delivering the perfect mix of management expertise, ethical business practices and high level consultancy capability.

ARTISAN is inspired by the social art of bringing beauty and purpose to the home, workplace and business. We create interiors that reflect this spirit of intelligent innovation and high standards in modern living.

Nadine Darwish
INTERIOR ARCHITECT

The Manager

Nadine is an experienced interior architect known for her high-quality design services in Lebanon and the GCC area. She specialises in creating inspiring spaces that blend traditional and contemporary elements while closely collaborating with her clients.
